Year 5 French Key Skills, Knowledge and Vocabulary

Every child succeeds. Build on what the learners already know. Make learning vivid and real. Make learning an enjoyable and challenging experience.

Key Skills		
Listening Listen for longer periods of time and more frequently, increasing exposure to authentic foreign language material and using prior knowledge and gist listening to aid comprehension.	Speaking/ Phonics and Pronunciation Build up a larger bank of spoken vocabulary including chunks of appropriate language by developing memory skills and revisiting prior learning. Create more complex and longer sentences with accurate pronunciation, retention and recall. Learn to manipulate language and know that it is transferable between topics. Begin to speak in the third person singular: Il/ Elle... Explore the patterns in regular -er verb conjugation Perform simple role play, keeping the conversation going for longer by asking follow-up questions eg. ordering food and drink in a French café, giving directions in town. Give a variety of positive and negative opinions on a number of topics, extending the sentence with justification using a range of conjunctions. Begin to use the verb aller + infinitive to express future intention eg. Je vais acheter des pommes au supermarché.	Reading Improve decoding of longer unfamiliar texts using key language learning strategies and a dictionary. Understand that adjectives come in different forms and when you describe a person in terms of a profession, adjectival agreement rules will apply and spelling may change. Develop knowledge of the francophone world including celebrations and acknowledge shared core values. Apply phonic knowledge when meeting new words
Writing Create full sentences with the aid of word banks. Following clear instructions, write a short text or email, applying knowledge of correct syntax and grammatical accuracy. Write in more detail about themselves and their family, recycling previously learned vocabulary and building on this with more complex phrases. Translate longer passages from French into English with good accuracy. Use a dictionary to confirm gender and plurality of nouns and correct use of possessives.	Grammar Use a range of conjunctions to extend sentences. Better understand the use of the negative form in French and how to change a positive statement into a negative one. Begin to develop an understanding of whole verb conjugation, concept of verb stems and endings eg. porter Begin to understand the concept of irregular conjugation.	Intercultural Understanding Drip fed, whenever possible, into lessons Identifying and locating other countries in the world where French is spoken Comparing shops and high streets of with UK Recognising and using the Euro currency Talk about celebrations of which they have experience, Know about similar celebrations in France Identify similarities in traditional stories
