Oxfordshire
Partners in Learning

For school governors, trustees, academy committee members and school governance boards

Welcome

Welcome to governance in Oxfordshire.

As part of the county's largest volunteer group, you have an exciting and important role to play in ensuring that our schools are fantastic places for all children to learn and grow.

This introductory module will provide you with information that will help put your new role in context and with information about the support available from the Oxfordshire County Council Governor Services team.

Contents

- The role of Oxfordshire County Council (OCC)

- OCC Governor Services

Oxfordshire County Council

The County Council (or local authority) has an overall responsibility to its schools. This statement summarises its statutory duties:

Oxfordshire County Council has a statutory duty to ensure that sufficient places are available within its area for every child of school age whose parents wish them to have one; to promote diversity, parental choice and high educational standards; to ensure fair access to educational opportunity; and to help fulfil every child's educational potential.

Consider how you as a governor can help to ensure that these responsibilities are met?

Which areas could you and your board have a direct impact on?

Oxfordshire County Council

It does not matter which type of school you are a governor at, the local authority has a regard for **educational outcomes, ensuring fair access to educational opportunities** and for **safeguarding** of all children in state funded education. This includes all maintained and academy schools.

Governors are crucial in this process to ensure:

- Positive educational outcomes
- Inclusion and equality for all children
- Robust safeguarding

Governors are the champions for their children.

The local authority then provides additional support based on need, identified through key performance indicators or by school self-referral. Local authority school reviews are ongoing so that all schools can be appropriately supported and all pupils in Oxfordshire can thrive.

Oxfordshire schools

Oxfordshire is a diverse county with many rural and city schools. It is home to:

- 240 mainstream **primary schools**. These are for children who are between 4 and 11 years old.
 - 3 of these are *all through* schools, providing primary and secondary education (for children from 4 to 18 years old)
 - 3 are infant schools (for children from 4 to 7)
 - 2 junior schools (for children from 7 to 11)
- 41 mainstream **secondary schools**. These include academy and maintained secondary schools.
- 15 schools providing **specialist provision** for children with special educational needs.
 - There is 1 Alternative Provision Academy (Pupil Referral Unit)
 - There is 1 Hospital School
 - There are 8 community based special schools providing for children aged 2 to 19 with either severe learning difficulties or profound and multiple learning difficulties.

Oxfordshire primary schools Performance information

How does your school compare to these countywide results? Do you know your school's priorities for this year?

Year Group	Oxfordshire Performance in 2019
Early Years & Foundation Stage (Children in Reception or Early Years)	73.5% achieve the expected good level of development (GLD) . This is <i>above the national average</i>
Phonics Screening Checks in Year 1 (5-6 year olds) and Year 2 (6-7 year olds)	Oxfordshire remains <i>inline with the national average</i> at the end of Year 1 and <i>above the national average</i> at the end of Year 2
Key stage 1 – reading, writing and maths combined (The percentage of Year 2 children achieving the expected level in all three areas)	Oxfordshire remains <i>1% below the national average</i> for this combined measure
Key stage 2 – reading, writing & maths (The percentage of Year 6 children achieving the expected level in all three areas)	Performance has increased since 2018 by 2% to be <i>inline with the national average at 65%</i>

The role of the school governor

What governors do:

Governors are strategic leaders within schools and have a vital role to play in making sure every child gets the best possible education.

The role of the school governor is demanding but very rewarding and is a great way to give back to your local community. Good schools need good governors.

Governing boards have a strong focus on three core strategic functions:

- Ensuring clarity of vision, ethos and direction
- Holding the headteacher to account for the educational performance of the school and its pupils, and the performance management of the staff
- Overseeing the financial performance of the school and making sure its money is well spent

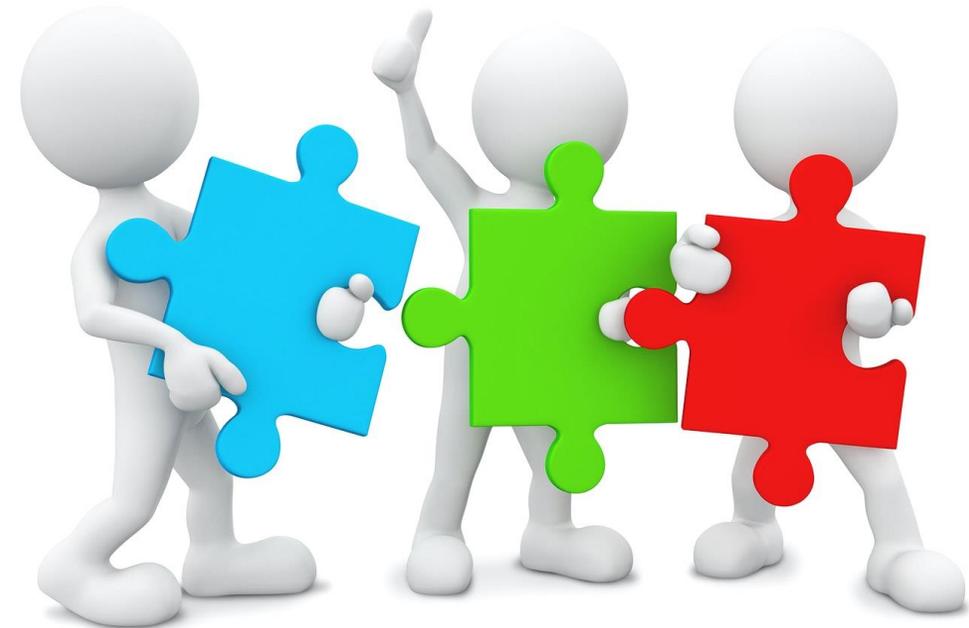

Benefits of being a governor

Being a school governor is a very rewarding role.

Here are some benefits that others have found:

- the knowledge that you are helping schools and pupils
- the satisfaction of giving something back to the community
- a sense of purpose and achievement
- new skills which may be transferable elsewhere
- broader horizons
- new friends and workmates
- training opportunities to help you fulfil your duties and responsibilities

Time commitment

This can vary depending on the work of the board but we would suggest about 20 to 30 hours per term is usual. This work can often be undertaken in the evenings and at weekends and may include a range of activities such as:

- Prior reading of paperwork and the preparation of questions before meetings
- Attendance at whole governing board and committee meetings
- Visits to school and other forms of governor monitoring
- Special projects
- Staff recruitment
- Reviewing policies and monitoring the school's budget
- Undertaking training

Ofsted and Inspections

Oxfordshire County Council's Governor Services Team provides consultancy, training and a support helpline for all school governors within our county.

Along with your boards chair, more experienced governors, the clerk and of course the headteacher, we are here to help you. You may be a new governor, an experienced chair of governors or a governor with a question. Whatever, we are here to help.

Governor Services sits within the School Improvement Team at the County Council. Our clear focus is on improving outcomes for all children. Our part in this is achieved by striving for excellence in terms of supporting compliance and in building a culture that nurtures and enables effective governance.

Governor Services Team

About Us

Tim Brock
Rachel Caseby
Harmony Ashworth
Linsay Clothier
Jamie Carpenter
Deborah Turner

Head of Governor Services
Interim Governor Services Officer
Governor Support Officer
Clerk to Governors Team Lead
Marketing and Events Support Officer- CPD online
Business Support Officer – School Improvement

Governor Services oversees the statutory responsibilities of the Local Authority concerning governing boards and is a traded service. Currently, 76% of all Oxfordshire schools subscribe to our services.

Support and guidance

Governor Services offers a fast, reliable, and friendly support and advice service to governors, headteachers and clerks.

Contacting us is easy if you have a query:

- Our **phone lines** are open: Monday to Thursday from 9am to 5pm
Friday from 9am to 4pm

Tel: 03300 249046

- We also answer queries by **email**:
governorservices@oxfordshire.gov.uk

Support and guidance

In addition, we contribute to **Schools' News**, a weekly reminder of important educational news. Schools' News is published during term time and has a variety of articles and information relevant to school leaders including governors. You can register to receive this email on the bottom right of the School Insite home page: [Schools' News Request](#).

Our pages on **GovernorHub** are updated regularly in order to highlight good practice and to signpost any changes to legislation or guidance. You can access these from your GovernorHub *washing line* by clicking on this image in your account:

Our **website** offers an information and advice service which is available to our subscribers at any time. It holds a comprehensive databank of policies, documents and guidance linked to national regulations and gives practical advice and direction, with the aim of improving and supporting governance in our schools. [Governor Services Web Pages](#)

Governor Training

We have a reputation for excellence in providing advice, support and training to governing boards, advisory boards, headteachers and clerks on governance matters.

Our diverse programme of **live training** covers all aspects of the governance role including:

- general development courses for governors from maintained and academy schools
- specialist courses for clerks, chairs of governors and lead governors

Our courses are regularly updated in response to changes affecting governance and to ensure they meet the needs of both existing and new governing boards. Every course is evaluated and we achieve an average rating of 4.6 (where 5 is excellent and 4 is good).

In addition, we have a growing range of **e-learning courses** that are available via our website. These allow governors to undertake training at a time and location of their choice.

The Clerking Service

We offer a comprehensive **clerking service** to governing boards.

The importance of professional clerking has never been greater. Schools have been given increased freedoms and greater accountability and the government has recognised that the contribution professional clerking can make to effective governance of schools is significant.

The **Local Authority (LA) Clerking Service** provides your school with a trained clerk to attend and support your governing board and committee meetings. Subscription options include support and attendance at either:

- 6 full governing board meetings or
- 6 full governing board meetings and 6 committee meetings.

LA Clerking now includes access to GovernorHub as part of the subscription.

We also offer training packages for clerks who are not part of the LA Clerking Service.
