

Year 1 Curriculum Newsletter

Term 3

Important reminders:

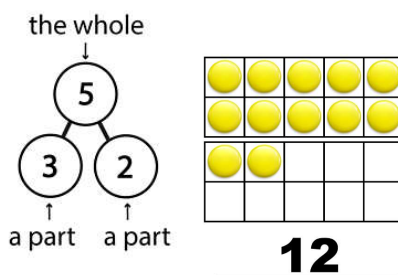

Friday is phonics book change day.
Please bring the following everyday:

- Water bottle
- Coat
- Purple pouch including reading book and record.
- PE kits bought in for a Monday and come home on Friday.

Library book for change on a Thursday.
Please make sure all belongings are clearly labelled!

Maths

At the start of this term we will be working on naming 2D and 3D shapes as well sorting these and making patterns. We will then be learning about numbers within 20 and using this knowledge to add and subtract. To support our learning, we will continue to use part whole models, tens frames and number lines.

Shape: Unit video: <https://www.activelearnprimary.co.uk/resource/1102363>

Numbers to 20: Unit video: <https://www.activelearnprimary.co.uk/resource/1119762>

Addition and subtraction within 20: Unit video:

<https://www.activelearnprimary.co.uk/resource/1119763>

English

The children will continue to access grouped phonics to develop their reading skills. They will take home books linked to their phonics learning every Friday. We will also be sending out phonics videos to support your child's learning.

In Writing we will be reading the story The Queen's Hat. We will be developing our vocabulary and sentence writing skills. Using these we will be writing our own adventure stories!

Creative Curriculum

To start the term off we will be heading on a Virtual Trip to London on 9th January to start our Bright Lights, Big City learning. This will incorporate both History and Geography learning. We will be covering Human Senses in Science and developing our Art skills through our Rain and Sunrises topic.

The knowledge organisers for these topics are attached.

Computing

This term in Computing we will be learning some early programming skills to move a robot. We will discover and learn about commands as well as make predictions about how robots may move.

PSHE

Our PSHE learning will be based around Dreams and Goals. The children will be considering what their hopes and dreams are for the future and making small goals that they can work towards. We will continue to use the zones of regulation to support the children's emotional vocabulary.

PE

Fitness

Physical: to develop running, jumping, coordination and balance skills

Social, Emotional and Thinking: to learn to communicate, problem solve and be determined

Net Wall Games

Physical: to develop racket and ball skills

Social, Emotional and Thinking: to develop a sense of honesty and fair play

Music

We will be focussing on the song In the Groove by Joanna Mangnana. We will be developing our listening and appraising skills with a variety of styles of music and beginning to play music in different styles.

R.E.

Our RE we will be focussing on the key question: Was it always easy for Jesus to show friendship? We will be Jesus as a friend to others and the stories of Zacchaeus and Stilling the Storm.
