

Be . Build . Become

Our Views

Read what our children have to say about life in our Foundation Stage unit:

Scarlett *"we do fun things at school. We planted seeds in the garden and took them home when they had grown into plants!"*

Arthur *"I like playing with my friends and doing counting in Maths."*

Aisling *"I love my teachers, they look after me and they make me really happy."*

Bella *"I love playing with my friends. We can make things and play in the home corner. Sometimes we choose to go in the garden. I like learning about the world with my teachers."*

Wilfred *"When I come to school I get to do lots of learning and get really good at making things. I like to use lots of different stuff. I take it home to show my Mum and Dad."*

Toby *"I like coming to school and I like doing PE on the playground. I am really good at reading, I practice at home."*

Tilly *"I like to play teachers and practice my phonics with my friends."*

Gabriel *"I choose outside, we play football or make mud pies in the mud kitchen."*
