July 2025

## Dear Parents and Guardians

Now summer is upon us, we are enjoying the outdoors more and more. The children have been enjoying picnics and ice lollies in the sun, exploring the outdoors and playing team games, as well as building dens.

## High Flyers After School Club

### A Home from Home!

At High Flyers we offer a quality after school club where children feel happy, confident and valued.

Our experienced and dedicated staff provide engaging activities, such as arts and crafts, sports and interactive games, and encourage play. Our sessions are flexible with two finish times of 4.45pm and 6pm.

### Why Choose an After School Club?

- ✓ **Encourage social interactions** – a perfect place to build friendships, chat and play.
- ✓ **Explore interests and talents** – a chance to craft and explore their imaginations.
- ✓ **Promotes physical health** – time to burn off that energy outside playing team games and exploring the outdoors.
- ✓ **Encourages independence** – Learning simple routines like self-serving and clearing up.
- ✓ **Supports working parents** – Reliable, flexible, and convenient wraparound care.

## 'Fun Fridays!'

On Fridays we are open till 6pm at High Flyers!

Each week, we offer themed activities, such as cooking classes where children can learn simple recipes, sports clubs that include football and cricket or art clubs focused on using different medias, all based on our children's requests. We also cover broader topics like faith celebrations and special events.

So, whether you're working or need to get those jobs done before the weekend, this is a club they won't want to miss!
