Bloxham Remembrance Trail 2025

Bloxham CofE Primary School is excited to invite families and residents to take part in our **Remembrance Trail** around the village. Pupils' work, including thoughtful poems and artwork, will be displayed on **notice boards at various locations around Bloxham**. A map is provided showing all the notice board locations.

The displays will be available from: **Thursday 5th November – Tuesday 25th November**

We encourage everyone to enjoy a walk around our lovely village and take time to read and appreciate the children's amazing creations.

Safety reminders for participants:

- Please wear **suitable and visible clothing**, especially if walking in the dark evenings.
- Walk safely beside the roads and use the **designated crossings**.
- This is a **family activity**. Pupils should walk with their family unless parents have given permission for them to go alone.

We hope you enjoy exploring the trail and celebrating the creativity and remembrance work of our pupils.

A special thank you to...

Be . Build . Become

Ode of Remembrance – Laurence Binyon (1914)
*They shall grow not old, as we that are left grow old;
Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning
We will remember them.*
