## **A School Arrangements**

This policy and our annual SEND information report are based on the statutory [Special Educational Needs and Disability \(SEND\) Code of Practice](#) and the following legislation: [Part 3 of the Children and Families Act 2014](#), which sets out schools' responsibilities for pupils with SEN and disabilities and [The Special Educational Needs and Disability Regulations 2014](#), which set out schools' responsibilities for education, health and care (EHC) plans, SEND coordinators (SENDCOs) and the SEN information report.

### **A1 DEFINITION AND AIMS**

#### **Definition**

At our school we use the definition for SEN and for disability from the SEND Code of Practice (2014). This states:

Special Educational Needs: A child or young person has special educational needs if he or she has a learning difficulty or disability which calls for special educational provision to be made for him or her.

☞ A learning difficulty or disability is a significantly greater difficulty in learning than the majority of others of the same age.

☞ Special educational provision means educational or training provision that is **additional to, or different from**, that made generally for others of the same age in a mainstream setting in England

Disability: Many children and young people who have SEN may have a disability under the Equality Act 2010 – that is '**...a physical or mental impairment which has a long-term and substantial adverse effect on their ability to carry out normal day-to-day activities**'. This

definition includes sensory impairments such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy, and cancer.

### Aims

#### **The aims of our policy and practice in relation to special educational need and disability in Bloxham Primary School, in line with our school values, are:**

To make reasonable adjustments for those with a disability by taking action to increase access to the curriculum, the environment and to printed information for all.

To ensure that children and young people with SEN engage in the activities of the school alongside pupils who do not have SEN.

To reduce barriers to progress by embedding the principles in the National Curriculum Inclusion statement <https://www.gov.uk/government/collections/national-curriculum>

To use our best endeavours to secure special educational provision for pupils for whom this is required, that is “additional to and different from” that provided within the differentiated curriculum, to better respond to the four broad areas of need:

1. Communication and interaction,
2. Cognition and learning,
3. Social, mental and emotional health,
4. Sensory/physical.

To request, monitor and respond to parent/carers’ and pupils’ views in order to evidence high levels of confidence and partnership.

To ensure a high level of staff expertise to meet pupil need, through well-targeted continuing professional development.

To support pupils with medical conditions to achieve full inclusion in all school activities by ensuring consultation with health and social care professionals in order to meet the medical needs of pupils.

To work in cooperative and productive partnership with the Local Authority and other outside agencies, to ensure there is a multi-professional approach to meeting the needs of all vulnerable learners.

## **Bloxham C of E Primary School**

All schools in Oxfordshire receive funding for pupils with SEND in three main ways:

- the base budget which covers teaching and curriculum expenses, as well as the cost of the Inclusion Manager
- the notional SEND budget (the SEND Index) that is designed to fund the additional support required
- additional specific funds that may be allocated to pupils with an additional funding award or an EHC Plan.

The Head Teacher, Inclusion Manager and the governing body of the school regularly monitor the needs of pupils with SEND. Resources are allocated according to need. The resources available include support staff, teacher time and materials, and these are dependent on the school's SEND budget. Any money allocated as a result of an EHC needs assessment is spent according to the terms outlined in the resulting Education, Health and Care Plan. The school has a continuing commitment to purchase appropriate resources for pupils with SEND.

Bloxham Primary School follows LA guidance, to ensure that all pupils' needs are appropriately met.

### **A7 EVALUATING SUCCESS**

The success of the school's SEND policy and provision is evaluated through:

- monitoring of classroom practice by the Inclusion Manager and subject co-ordinators
- analysis of pupil tracking data and test results:
  - for individual pupils
  - for cohorts
- value-added data for pupils on the SEND register

- surveys of pupil views and Pupil Parliament input.

### **A8. SHARING CONCERNS**

Should pupils or parents/carers be unhappy with any aspect of provision they should discuss the problem with the class teacher in the first instance. For a problem that might need time to explore fully, parents/carers are advised to make a mutually convenient appointment with the class teacher.

In the event of a formal complaint parents / carers are advised to contact the Head Teacher. The Oxfordshire SEND Information, Advice and Service (SENDIASS) is available to offer advice; see Appendix for contact details.

the outset and encouraged to discuss any concerns with class teachers as they arise. They are always encouraged to take part in the process of reviewing and monitoring provision and progress.

Parents / carers will receive accurate information when they meet with teachers, so that they have a full picture of their child's skills and abilities as well as their child's wellbeing at school. They are consulted before outside agencies are involved and are included as far as possible in strategies instigated. Parents / carers have the right to access any records of their child's progress and are encouraged to contribute to these records.

Parent / carer review meetings will be held three times a year, but parents are welcome to visit the school or arrange meetings at other times to discuss any aspect of their child's progress with the class teacher or Inclusion Manager. We will make arrangements, wherever possible, for interpreters to be present for parents / carers with a first language other than English. SEND information and leaflets/audio guides are available in a number of community languages through the school or Oxfordshire SEND Information, Advice and Service (SENDIASS)

SENDIASS provides a range of support for parents / carers of pupils with SEND as well as parent training about the Code of Practice. SENDIASS workers give advice and support to parents of pupils with SEND at any age or stage.

SENDIASS also gives information about mediation services. They can arrange meetings and have produced leaflets and Audio guides about many aspects of SEND. They can be contacted on 01865 810516. Some of their leaflets are available in school.

## **Bloxham C of E Primary School**

All pupils should be involved in making decisions where possible right from the start of their education. The ways in which pupils are encouraged to participate should reflect the pupil's age and stage of development. Participation in education is a process that will necessitate all pupils being given the opportunity to make choices and to understand that their views matter. Confident young pupils, who know that their opinions will be valued and who can practice making choices, will be more secure and effective pupils during the school years.

In Bloxham Primary School, we encourage pupils to participate in their learning by:

- contributing to reviews
- talking to TAs and teachers about their learning
- whole school, class and individual reward systems
